

Stark Industrial's Natural Citrus Degreaser is a unique, revolutionary multi-purpose cleaner, degreaser and deodorizer formula based on natural extracts from orange and lemon peels. This highly concentrated water-based product provides an effective environmentally safe alternative to toxic, caustic and solvent based cleaning compounds. It requires no special protective clothing or any special precautions for ventilation, handling or storage. Specially formulated for safe and easy use on any washable surface. Removes all types of grease, oil, carbon and dirt from the general maintenance cleaning job to heavy duty degreasing. Rapid, thorough lifting and suspension of contaminants allow for easy rinsing, leaving the surface clean and deodorized with a pleasant citrus fragrance.

**FOR FOOD CONTACT SURFACES:** Dilute 1 part Natural Citrus Degreaser to 80 parts water then rinse thoroughly with potable water.  
**LIGHT DUTY CLEANING:** Dilute 1 part Natural Citrus Degreaser with 80 parts water.  
**GENERAL CLEANING:** Dilute 1 part Natural Citrus Degreaser with 20-40 parts water.  
**HEAVY DUTY CLEANING:** Dilute 1 part Natural Citrus Degreaser with 4-8 parts water.  
**NOTE:** Natural Citrus Degreaser may be used full strength in areas where soil is heavily encrusted. Soil conditions vary greatly, therefore trial of different solutions will help determine the proper solution for each cleaning job. All food contact surfaces must be rinsed thoroughly with potable water.
