

APPLICATION

THERM-O is the latest development in the treatment of grease laden drains and pipes. The high energy product goes to work to provide rapid penetration, breakdown and degradation of organic deposits and blockages. Dissolves soap scum, slime and hair without harm to pipes or fittings.

USE DIRECTIONS

Good safety practice should include the use of rubber gloves, protective clothing and eye protection.

Never position head over drain opening.

Remove any excess water and slowly pour 50-150g (2 to 6 oz.) into drain opening while holding container at arms length. Let stand for several minutes and then flush thoroughly with cold water. Repeat as needed until drain is free-flowing.

Note: Large drains may require a larger dosage.

NOTE: Avoid contamination of food in the application and storage of this product. Do not store in food processing areas. Contains: Sodium hydroxide

DO NOT USE HOT WATER OR OTHER CHEMICALS WITH THIS PRODUCT.

THERM-O

DRAIN LINE MAINTAINER & OPENER

- * Dissolves Hair, Soap Scum & Slime
