

Stark Industrial's EnviroMyst utilizes a state of the art technology that makes it highly effective in controlling osmogenes that are present in undesirable odours. EnviroMyst eliminates malodors such as fish, sulfur, smoke, ammonia, onion, garlic etc., but does not eliminate the desirable odours. Once EnviroMyst absorbs an odour, it will not be released again. A permanent binding of the odour takes place.

DIRECTIONS: Spray effected area until damp to touch. Odour is eliminated almost immediately.

USES: Kitchen, Bathrooms, Carpets and Upholstery, Automotive, Sewage Treatment Plants, Landfills, Waste Collection/Recycling Facilities, processing plants, rendering plants, etc.

FOOD CONTACT SURFACES: Surfaces subject to direct food contact must be rinsed with potable water.

EnviroMyst

Permanent Odour Eliminator

Biodegradable
Environmentallly Safe

Avoid contamination of food in use and storage of this product.
For Industrial, Institutional and Food Plant Use.

☐ 4L ☐ 20L
