

Stark Industrial 's Carpet Clean is a highly concentrated rug and upholstery shampoo and renovator. Carpet Clean penetrates deeply and quickly emulsifies and removes dirt and stains. Carpet Clean helps restore carpets to original colour and beauty. Its super foamers produce maximum foam with a minimum amount of product to reduce harmful over wetting of carpets. With Carpet Clean there's no danger of carpet shrinkage, because Carpet Clean is formulated to be used with cold water and contains special soil-resistant chemicals to seal fibres against heavy soiling.

**DIRECTIONS:** Remove furniture from area of carpet to be cleaned. Vacuum carpet. Prepare a solution of one part Carpet Clean to 15 parts cold water. Spot clean stains. Using only enough solution to produce a light foam, completely shampoo the carpet. **DO NOT SOAK.** Set pile of carpet with pile-setting machine. Allow carpet to dry thoroughly. Replace furniture.

# Carpet Clean

## Synthetic Detergent Carpet Shampoo

Avoid contamination of food in use and storage of this product.  
For Industrial, Institutional and Food Plant Use.

☐ 4L ☐ 20L

**WARNING:** Keep out of reach of children. May cause eye burns, irritation to skin. Harmful if inhaled. Non-corrosive, non-flammable when used according to directions. **PRECAUTIONS:** Avoid high temperature. Avoid eye or skin contact. Wear full protective equipment during handling. Keep container closed. Keep away from acids and incompatibles. Store in a cool dry area. **FIRST AID:** If inhaled, remove victim to fresh air. If breathing stopped, begin artificial respiration. Call physician. For skin or eye contact, flush with water for at least 15 minutes while removing contaminated clothing. Call physician if irritation persists. If ingested do not induce vomiting. Have victim drink water, dilute vinegar or fruit juice. If vomiting occurs give fluids again. Do not give anything by mouth if victim is unconscious. **FOR FURTHER INFORMATION REFER TO MATERIAL SAFETY DATA SHEET.**
