

## APPLICATIONS

Providing a durable high gloss, metal cross-linked, acrylic co-polymer protective finish on all types of linoleum, vinyl, rubber, vinyl asbestos, sealed wood, terrazzo and finished concrete flooring.

## USE DIRECTIONS

Remove all soil and/or old wax or finish build-up from floors with suitable **STARK** floor stripper. Rinse thoroughly with clean water and allow to completely air dry. Using a clean mop or applicator, apply a thin uniform coat of **TUFF SHINE** in a straight continuous stroke manner. Allow to dry. A second coat may be applied after 20 or 30 minutes. Allow sufficient cure time (at least 24 hours) then buff to deep long lasting gloss where desired. Maintain daily by damp mopping with recommended **STARK** neutral cleaner. Recoat and/or spray buff as necessary to maintain finish depth required.

**NOTE:** Avoid product contamination, do not return unused product to original container. Always use clean mop or applicator. Soak new mop heads in warm water and wring out thoroughly before using to remove all lint and make product application smoother.

# TUFF SHINE

## REFLECTIVE FLOORCOTE

A high solids, metal crosslinked acrylic co-polymer floor finish and seal for all types of resilient flooring, terrazzo and finished concrete.

**EASY TO APPLY – SELF LEVELLING – SLIP RESISTANT**

**EXTREMELY HARD DURABLE HIGH GLOSS**

Does not powder. Resists scratches, marks and detergents. Will not discolour.

**EASILY MAINTAINED** - Clean by damp mopping - spray buffable

**EXTENDED COVERAGE** - Up to 40 sq.m/litre (2000 sq.ft./gallon)

**NON FLAMMABLE**

**FOR INDUSTRIAL, COMMERCIAL and INSTITUTIONAL USE**

## CAUTION

**Keep out of reach of children**

## TUFF SHINE

**WARNING:** Eye and skin irritant.

**PRECAUTIONS:** Avoid contact with eyes and skin. Wear rubber gloves and safety glasses. Keep out of reach of children.

**FIRST AID: Eyes:** Flush with cool water. Remove contact lenses, if applicable, and continue flushing. Obtain medical attention if irritation persists.

**Skin:** Flush with cool water. Wash with soap and water. Obtain medical attention if irritation persists.

**Inhalation:** If symptoms develop move victim to fresh air. If symptoms persist, obtain medical attention.

**Ingestion:** Do not induce vomiting. Rinse mouth with water then drink one or two glasses of water. Obtain medical attention. Never give anything by mouth if victim is unconscious, or is convulsing.

**ATTENTION:** Irritant pour les yeux et la peau.

**PRÉCAUTIONS:** Éviter le contact avec les yeux et la peau. Porter des gants en caoutchouc et des lunettes protectrices. Garder hors de la portée des enfants.

**PREMIERS SOINS: Les Yeux:** Rincer à grande eau froide. Enlever les verres de contact, le cas échéant, et continuer à rincer. Obtenir de l'attention médicale si l'irritation persiste.

**Peau:** Rincer à grande eau froide. Laver à l'eau et au savon. Obtenir de l'attention médicale si l'irritation persiste.

**Inhalation:** En cas de symptômes, placer la victime à l'air frais. Si les symptômes persistent, obtenir de l'attention médicale.

**Ingestion:** Ne pas tenter de faire vomir. Rincer la bouche à grande eau, puis boire un ou deux verres d'eau. Obtenir de l'attention médicale. Ne jamais rien faire boire ou avaler à une victime inconsciente, en train de perdre rapidement connaissance ou si la victime a des convulsions.
